

# CELEBRATION OF LIFE

## *at the Redleston*

**A funeral is more than saying goodbye,**  
it's also about celebrating a person's life and reminiscing on old times.  
Despite the sad circumstances, it's often a chance to get together and  
support one another.

Our professional events team are very understanding and are here to help  
you during this difficult time. We know it can be tough trying to gather  
family and friends, so let us ensure every aspect is taken care of with  
empathy and respect.

Our stunning countryside home makes the perfect backdrop for any  
occasion - large or small, with ample parking on-site, as well as disabled  
access directly to the Orangery.
